

In lieu of their quarterly September meeting, the DMC Committee will be facilitating two consecutive break out sessions of the MT Crime Prevention Conference. The Conference is being held in Helena at the Colonial Red Lion Inn September 9-11, 2008. The Committee will be using the break out session as a listening opportunity to gain community perspectives on the issue of school policies that have the unintended impact of increasing minority youth contact with the juvenile justice system. For more information about the Conference, including the agenda and registration, click on the following link:
